

§ 56.501

(5) The capability of the applicant to provide primary health services directly. In evaluating the relative capability of the applicant to provide such services directly, the Secretary shall take into consideration whether the direct provision of services is inappropriate because:

(i) Provision of such services through contract or other arrangement would be more cost-effective;

(ii) Provision of such services directly would unnecessarily duplicate existing resources; or

(iii) Provision of the services other than directly would enhance the accessibility or acceptability of the services to the population served.

(6) The extent to which community resources will be utilized by the project; and

(7) Consistent with the other requirements of this part, the degree to which and the manner in which the applicant provides specific health services which the Secretary has, through publication of a notice in the FEDERAL REGISTER, established as services which should receive emphasis by applicants.

(b) The Secretary shall:

(1) Make no more than two grants for the same entity under section 319(d)(1)(B) of the Act;

(2) Not make any grant under section 319(d)(1)(B) to an entity which, for the same project, has been awarded more than one grant under section 319(c) of the Act;

(3) Not make a grant under section 319(d)(1)(B) to an entity which has been awarded a grant under section 319(d)(1)(A) of the Act.

Subpart E—Grants for Planning and Developing Migrant Health Programs

§ 56.501 Applicability.

The regulations of this subpart, in addition to the regulations of subpart A of this part, are applicable to grants awarded pursuant to section 319(c)(1)(B) of the Act for projects to plan and develop migrant health programs to provide health services to migratory agricultural workers, seasonal agricultural workers and the members of their families in areas in which no migrant health center exists and in

42 CFR Ch. I (10–1–00 Edition)

which not more than 6,000 migratory agricultural workers and their families reside for more than two months.

§ 56.502 Application.

To be approved by the Secretary under this subpart, an application for a grant must, in addition to meeting the requirements of § 56.104 of subpart A of this part,

(a) Be submitted for a project within a catchment area which

(1) Is not served, in whole or in part, by a migrant health center, and

(2) Has not more than 6,000 migratory agricultural workers and members of their families residing therein for more than 2 months per year; and

(b) Contain information sufficient to enable the Secretary to determine that the project for which the grant is sought will meet the requirements of this part.

§ 56.503 Project elements.

A project for the planning and development of a migrant health program supported under this subpart must:

(a) Determine (by survey or other appropriate means) the approximate number of

(1) Migratory agricultural workers and the members of their families, and

(2) Seasonal agricultural workers and the members of their families within the project's catchment area in the calendar year in which the grant is made and the period of time these workers and their families reside in the catchment area during such year.

(b) Prepare an assessment of need of the population proposed to be served by the migrant health program for the services set forth in § 56.603(a) of subpart F of this part. This assessment of need must, at a minimum, consider the factors listed in § 56.104(b)(3) (i)–(iv).

(c) Design a migrant health program for such population, based on such assessment, which indicates in detail how the proposed program will fulfill the needs identified in that assessment and meet the requirements of subpart F of this part.

(d) Develop a plan for the implementation of the program designed pursuant to paragraph (c) of this section. The implementation plan must provide for the time-phased recruitment and
